Comes now the District Attorney by his Deputy J D Lewis Esq and moves the Court for an order dismissing this action upon the ground that the party alleged to have been injured in this action, to wit H Levy, the prosecuting witness now appears in this Court and consents to said dismissal, and it appearing to this Court that seven (7) witnesses for the prosecution and defense reside in the town of Lone Pine, Inyo County, California at a distance of 16 miles from this Court, and that two (2) of said witnesses are infirm old and feeble women - one about 85 years old - and unable to stand a trip to attend the trial of this case, and it further appearing that a conviction of the defendant is extremely improbable under all of the circumstances of this case, therefore in furtherance of justice and upon application of said District Attorney the defendant consenting thereto, for the foregoing reasons it is hereby ordered, adjudged and decreed that this action be and the same is hereby dismissed and that the defendant be and he is hereby discharged and his bondsman released.

May 22. 9. o. clock. A. M. At this hour the plaintiff appeared by his Attorney, Ben. H. Jandell, and the defendant by his Attorney, P. H. Mack Esq By consent of Counsel the defendant was duly sworn in the matter of his claim of exemption of a certain wagon now held by Constable Keegan of this Township under a writ of execution and levy in this action. The defendant and claimant was examined by his Counsel and cross examined by Counsel for plaintiff. After hearing the evidence of the defendant and carefully examining the authorities submitted, it appears to the mind of the Court although the defendant must prospect for a few months he did not lose his vocation as a Teamster. DATE 1907 PROCEEDINGS.

June 10 amended complaint sets up an entirely new and different cause of action than that stated in the original complaint. Motion denied, exception by defendant.

" " Filed amended complaint. Filed Squire

" 11 " answer to amended complaint. Court convened at 10 A.M. Jury answered to their names and examined as to their qualifications to act as jurors. The following were selected and sworn, A Humphreys, M. H. Snyder, J. R Moffett, Thomas Kehoe, J Davis & J D. Main. Counsel for plaintiff stated his case, whereupon J E. Mahoney sworn and testified to the fact of the incorporation of the Inyo Mercantile Co, witness Ben Yandell Sworn and testified, part of his evidence was as follows, By Mr Haubry, Q. Since the statement of that account have you had any letter from Mr Squire in relation to the balance he owes you. A. I have. Q. Can you produce that letter. A. I can. Q. Please do so. Letter produced and offered in evidence to which the defendant objected upon the following grounds. 1st. That said letter is irrelevant, immaterial and incompetent. 2nd That it is now sought to introduce a written acknowledgment or new promise in writing, to revive or continue a contract barred by the statute of limitations, when such written acknowledgment or new promise has not been alleged. 3d. That the letter or acknowledgment is not made to the party plaintiff nor the creditor in this action and that the alleged acknowledgment therein is not such an acknowledgment as is necessary or required to take the case out of the statute of limitations. After argument by counsel for respective parties the Court sustained the objection, to which ruling plaintiff duly excepted. Plaintiff rests his case. Defendant now moves the Court for a nonsuit, upon the ground that the cause of action alleged in the amended complaint is barred by the statute of limitations, and upon the further ground that the plaintiff has failed in his proof in this, to wit; That he has not proved that plaintiff is a corporation, and further that he has not proved the fact of non-payment of the account sued for. After argument by Counsel for both sides the Court ruled as follows; The motion is granted. I give judgment for the defendant upon the ground that cause of action is barred by statute of limitations.
